Movement to Secure a Graduate Secretary Started. Papers Circulated for Subscriptions.

During the past four years the Tech Christian Association has shared greatly in the time and efforts of the College Secretary of the Boston Young Men's Christian Association. The final establishment of a local Secretary has always been in view, however, and the time is believed now to be at hand for carrying this plan into effect. The undergraduates are as ready, and as able, within the limits of their time, as most other bodies of students to engage in philanthropic work and religious work, and thus to develop themselves as well as others; but their efforts need to be systematized and directed by some one who can give his undivided attention to the work. In this matter Technology is behind most other large educational institutions in this country.

The Boston Association has generously offered an annual sum for four years, for the first year amounting to half the probable compensation to be paid a Secretary and decreasing yearly, thereafter, thus giving a chance for establishing a clientele among our alumni and other friends. It is believed that the remaining sum can be raised and members of the Association are now canvassing the undergraduates for this purpose.

FRESHMAN KOMMERS.

W. A. Adams, Chairman of the Freshman Kommers Committee, announces the following program for tomorrow evening:

Recitation, French Canadian dialect, F. H. McGuigan. Song, A. Ellis. Clog dancing, W. Roberlard. Recitation, German dialect, K. Vonnegut. Korean War Dance and Song, H. E. and M. E. Allen. Juggling, W. Roberlard.

The Committee urges every Freshman to attend this Kommers and to help make it the most successful of the Class nights. There should be at least one hundred men present. Tickets may be procured in advance from Mr. Powers in the Registrar's office.

ARCHITECTURAL SOCIETY.

At a meeting of the Architectural Society, held last Wednesday afternoon, the following officers were elected for the year 1905-1906:

President, W. C. Furer, '06; Vice President, P. F. Mann, '06; Secretary, E. H. Reed Jr., '07; Treasurer, E. L. Mayberry, '06; Executive Committee, B. R. Honeyman, '06;

R. T. Jackson, '06; C. G. Loring, '06. After a general discussion it was decided not to join either the General Society of College Architectural Organizations or the Association of City Architectural Societies not connected with the American Society of Architecture. The committee on publication announced that the *Annual* will be out by the early part of next month.

THE PROM.

The preliminary orders for the Prom will be distributed on Monday to those who have signified their intention of going. The Committee believe that by that time all who expect to go to the Prom will have signed and the early distribution will give ample time for filling out orders.

INSTRUCTOR'S CLUB.

The next monthly dinner of the Instructors' Club will be held Wednesday, April 12, at 6.30 P.M., at Tech Union. Mr. G. W. Rolfe of the Chemical Department will address the Club on "Life in a Porto Rican Sugar Plantation." The lecture will be profusely illustrated with lantern slides.

M. E. SOCIETY.

At a meeting of the Mechanical Engineering Society Tuesday, April 4, the following were elected for the ensuing year: H. V. Coes, '06, President; C. A. Howard, '06 Vice-President; J. Anderson, '06, Secretary; H. W. Kenway, '05, Treasurer; S. H. Tripp, '06, P. J. Kennedy, '06, M. T. Lightner, '06, Executive Committee.

The following motions were passed: That the Mechanical Engineering Society express itself as utterly opposed to a union of the Institute of Technology with Harvard University.

That G. D. W. Marcy, the retiring President, be presented with a gavel.

'06 BASEBALL.

For the first time since Class Baseball was started at Tech the Junior Class is to have a team. The majority of last year's team is back and they have organized under Whitehouse as Captain and A. H. Keleher as Manager. Already quite a few games have been arranged and together with the games with the two lower classes the schedule will be quite large.

The candidates for the Freshman crew at Cornell number 108, the largest number in the history of the University.

ATHLETICS.

Additions to '08 Schedule—Use of Technology Field—Tennis—Other Notes.

The management of the '08 Baseball Team has made the following additions to the schedule of games for this spring: April 8, Tufts Dental School, '08, at Tufts. April 19, Winchester High School at Winchester. May 8, '06, at the Tech Field. May 11, '07, at the Tech Field. May 16, '07, at the Tech Field. May 20, '06, at the Tech Field.

Technology field is open to the use of all students of the Massachusetts Institute of Technology under the following rules:

All applications for the use of the baseball field must be made to Mr. Mahan, who will assign the applications so that there will be no conflict of dates.

All baseball games for which an admittance fee is charged, fifty per cent of the gate receipts must be paid to the Manager of the M. I. T. Athletic Association. All such amounts are to be used for the maintenance of the baseball field.

Any student defacing any of the property or abusing the privileges will be debarred from the use of the field.

The men who use the field at Brookline are requested by the Managers to use the gates and not to climb over the fence, as some have done of late. The gate which was originally on Pond Avenue has been moved over to High Street, and it is hoped that those who go out to the field will bear this in mind and use it.

A team of four men is to be chosen by the Tennis Association, to represent the Institute in two meets to be held on May 6, and May 13, respectively. All men who wish to be considered candidates for this team will kindly leave their names at the Cage at once, for P. B. Stanley or S. M. Henry.

The Junior Freshman Baseball game which was scheduled for Wednesday afternoon was postponed until this afternoon on account of poor weather conditions. The game will be played at Technology Field and will be called at 4 P.M.

The Freshman Baseball Team will play its first game Saturday, March 8, when they meet Tufts, '08, at Medford.

The Hare and Hounds run tomorrow will be at Hyde Park. The

The opening of the track athletic season has made it evident that there is among the two lower classes a decided lack of enthusiasm, for our only Varsity Team. A few Sophomores and Freshmen have turned out and are doing creditable work, but the proportion of lower classmen who are training is exceptionally small. In fact many of the upper classmen are now working more than members of the Freshman and Sophomore classes combined, a previous unheard of state of affairs. The lower classes are all the more at fault, for they have by their interest in class contests shown beyond question that they possess plenty of capable material. There is yet time for 1907 and 1908 to show that each can do its share toward supporting a Track Team.

INSTITUTE BUSINESS STAFF.

The competition for the Assistant Business Managership of *The Institute* will begin on April 10. All those desiring to compete please leave their names before that date at the Cage for the Business Manager.

A Williams Senior, R. K. Hack, has been awarded the Rhodes scholarship from Massachusetts. Four men, two from Harvard, one from Amherst, and R. K. Hack from Williams qualified this year.

At Syracuse University last week the president made the announcement at chapel (they still hold chapel as it is well attended) that Mr. Carnegie had given \$150,000 for a new library building, and that the \$150,000 endowment to secure the gift was in sight. A few days later he made the announcement that a trustee would fit up a stadium at a cost of \$150,000. The athletic field backs up into a sloping hill, and the location is ideal for the cement seats to be used.
